10 Industrial Highway
Lester, PA 19113-2090

RE: Sampling Recommendations to Minimize Impacts to Wetlands
Calf Pasture Point (IR Site 07)
Naval Construction Battalion Center
Davisville, Rhode Island
Submitted 22 June 2004, Dated 7 June 2004

Dear Mr. Evans;

The Rhode Island Department of Environmental Management, Office of Waste Management (RIDEM) has reviewed the above referenced document and has the following comment:

Section 3 – General Comment.

Many of the regulations that were referenced in Section 3 of the report are CRMC regulations, however, there is no CRMC contact on the distribution list for the report. Please ensure that the appropriate CRMC personnel is given the opportunity to review and comment on the report before implementing any changes to the sampling routine.

RIDEM looks forward to working with the Navy and USEPA on the long term monitoring of this site. If you have any questions or require additional information please call me at (401) 222-2797 ext. 7142 or e-mail me at lmaccaro@dem.state.ri.us.

Sincerely,

Louis R. Maccarone II, Engineer
